Winter Wonderland Bazaar

Hope you didn't miss the annual Somerset bazaar because again it was a very successful day. This year the rooms and halls were filled with 47 filled tables and a total of 37 vendors tables with unbelievable handmade items. There were quilts, baby blankets, painted lighted bottles and glass blocks, stepping stones, sparkling array of jewelry, purses, baked goodies and more. Dietary specialist Liz did a fantastic job of creating the many candies and baked breads that shoppers happily purchased. Guests at the raffle table focused on the big basket filled with one hundred dollars worth of canned, fresh and packaged food items. Everyone hoped to win something from the wide assortment of items that filled the table. A big thank you to each and everyone who purchased a ticket which made it possible to issue a check in the amount \$240 to the local Hospice Foundation. Also thank you to Maxine Neville and Toni Becker who manned the raffle table. Ladies you did an awesome job. Also a big thank you goes to Ardys Riddle and Linda Smith for handling all the sales and samples on the bake sale table. Couldn't do it without you.

POTTERY PAINTING

Have you seen the wonderful items that are being painted in the pottery classes held every other month in the dining room? In November the group painted red Christmas plates embellished with brightly painted green Christmas trees complete with colorful assorted ornaments. The next class will be on Tuesday January 22 at 1:15 in the dining room. Come show us your hidden talents.

EMPLOYEE OF THE MONTH

Caregiver, Sandra Schoenberger, was selected as December's employee of the month. Way to go Sandy! Keep up the hard work. Be sure to let her know how much we appreciate her.
